THE LANTERN THAT LIGHTS, COOKS AND HEATS!

Perfect for camping and emergencies, this Rayo powder-coated lantern can heat water or small meals. Plus, it provides dependable light and some warmth on cold nights. All you need is kerosene or lamp oil and a match.

- Brighter and more efficient with advanced pre-heated air flow and extra tall heat resisting chimney
- Adjustable 2" flame is bright enough to light a small room and lasts all night
- Simpler lever lifts the chimney out of the way for easy lighting
- Designed and proven in Ohio's Amish Country
- Tank holds 24 oz of fuel
- Burn Time: 10-12 hours (depending on fuel and flame height)
