RAYO RACE LANTERN: COMPACT FOR HIKING

Enjoy bright, non-electric lighting that won't blow out in wind, snow or rain. The Rayo Race Lantern is made to burn brightly in any weather, making it an ideal emergency lantern too. Plus, it's easy to carry when hiking or on the go.

- It's ready for the races - small, compact and easy to carry!
- Perfect size for a table decoration or garden accent, too
- Nightly use for 2-4 days without refueling (burns about 15 hours on 6-oz fuel capacity)
- Six candlepower
- Galvanized, fully weatherproof
- Flame is completely encased in glass and steel for your safety
- Glass globe protected by wire cage to reduce breakage
- Advanced air flow for improved efficiency
- No comparable sized wick lantern burns brighter
- Design and improved in over a century of use
- Use only Aladdin® Fuel or K1 Kerosene or approved Lamp Oil
- Wick size: 3/8"
- Output (FC/CP): 2.6 FC/6 CP
- Tank Size: 6 oz
- Burn Time: 15 hr
- Globe Style: Short
- Dimensions: 7-1/2"H x 3-3/4"W
